

Mayor Kastberg called the meeting to order at 6:00 p.m.

PRESENT: Trustee Gifford, Mathes, Rizzo, Tiberio and Mayor Kastberg

CODE ENFORCEMENT PRIORITIES

Discussion was held on what sorts of code reminders could be added to the notices currently issued by our grass/brush/debris enforcer. These notices would be reminders with the issue forwarded to our code enforcement officer for follow up. The suggested infractions include:

- Parking on the front lawn
- Blocking the sidewalk/right of way
- General building maintenance
- Visual obstructions at intersections

The Mayor will meet with Code Enforcement, the Public Works Superintendent and the Village Attorney to develop this program.

PLANNING BOARD PUBLIC NOTICE SIGNAGE

It was decided to implement a program to place a “campaign style” sign on properties under review by the Planning Board. The sign will simply have a notice that the property is under Planning Board review and list the Village website for information.

PUBLIC RELATIONS TOPICS FOR THE GAZETTE

The Trustees brainstormed current topics to be fed to the Gazette for consideration, The topics identified were:

- New cameras in the park
- EV charging stations and bike racks at Village Green
- LED lighting project
- Spash pad
- Park grant combined with county money (when the grant is submitted)

FACILITY COMMITTEE PLANNING

Discussion was held on starting the Citizens Facilities Committee. It was decided that membership should be limited to resident property owners and one BID member. It was also decided that currently serving politicians would be disqualified from membership. The Board will be represented by the Mayor and Trustee Tiberio, whose authority will be to act as liaison between the committee and Village. They will not be voting members of the committee. Interviews for committee candidates are set for Monday, June 25th 5:30pm – 7:30pm; and Wednesday, June 27th 5:30pm – 7:30pm.
